

The Friends of Rittenhouse Square was created in 1976 to address the increasing gap between available city funding and the maintenance needs of Rittenhouse Square. With a mission to “preserve, protect, and beautify” the park, the Friends work in a public-private partnership with Philadelphia Parks & Recreation. The Friends fund and manage many programs and projects needed to sustain The Square. As a 501(c)(3) non-profit organization, the Friends provide funding through membership, special events, private donations, sponsorships and capital campaigns. Our supporters include local businesses, national corporations, top executives, young professionals, area visitors, students, families and long-time residents of The Square.

## WHY WE MATTER

Now a driving force behind the success of Rittenhouse Square, the Friends provide all of the park landscaping, tree care, grass seeding, graffiti removal, bench repair, supplemental seasonal maintenance staff, sidewalk sweeping, dedicated park ranger, excess seasonal trash removal, holiday lights, doggie bags, etc.

The Friends also fund special projects to address the ever-changing needs of The Square. Past projects have included: the restoration of sculptures and the fountain, repairing the perimeter iron fencing, building the iconic guardhouse, and renovating the historic gardener’s cottage. Upgraded LED lamppost lighting, installation of a new irrigation system and the restoration of the historic interior limestone balustrade as well as the four main entrances are the most recent improvements The Friends have made to the park.

## 2020 FOCUS

Our focus of 2020 is to continue to maintain the beauty and integrity of Rittenhouse Square Park through our 2020 membership campaign and annual events. In order to do this, The Friends are in constant contact with Philadelphia Parks and Recreation and City officials to ensure that we are keeping Rittenhouse Square a safe and enjoyable place for all of its patrons. Our continued efforts in maintaining our newly redone formal gardens certainly speaks to the beautification of The Square.

Welcome to the neighborhood! In appreciation of your donation we would like to extend a one year membership to The Friends of Rittenhouse Square.
